## Temporary traffic lights on Shaw Lane and the A515 near Handsacre

December 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons. Please note that all of the times in this notification are subject to change.

### There will be temporary traffic lights

There will be temporary traffic lights in place on Shaw Lane and the A515 from **Monday 5 January 2020 for six weeks**. This is to allow safe access to our work sites to prepare for future construction works, which include translocation of materials as well as roadside vegetation clearance. The temporary lights will be in place between **8:00am and 5:00pm**, subject to consent, with our teams on site one hour before and one hour after the works to set up and secure the site at the end of each day.

Access to properties and businesses will be maintained. Please see the map overleaf for more information.

### HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
