

Notice of overnight closures on A38 at Streethay

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

We are continuing to progress our work within the Streethay area of Lichfield. These works include piling and utility diversions on both sides of the A38 at Streethay.

To ensure the safety of road users, we are required to undertake essential maintenance activities on the main A38 carriageway. To allow us to complete this work, we will be installing overnight closures on the A38 northbound and southbound at Streethay.

When the work will take place

We will be installing the following overnight closures:

- **Northbound: Wednesday 30 November 2022**
- **Southbound: Saturday 10 December and Saturday 17 December 2022.**

The carriageway will close from 9pm each evening and reopen at 5am, before rush hour.

Our workforce may be onsite up to one hour before and after to set up and take down our equipment. We apologise for the short notice and the inconvenience this may cause.

Whilst closures are in place, clear diversions and signage will be displayed along the route for road users. Installation of narrow lanes on the main carriageway of the A38 at Streethay remain in place, along with a speed limit of 40 mph, to ensure the safety of the public and our workforce.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
